In re: Patent No. 6,276,549 Issue date: August 21, 2001 Application No. 09/009,2327 Filed: January 20, 1998

For MODULAR CONTAINER THAT CAN BE INTERCONENCTED, FOR MULTIPLE

USES

## **RENEWED PETITION TO REVIVE UNDER 37 CFR 1.137(C)**

Şir.

Applicant hereby petitions for reconsideration of the September 07, 2010, Dismissal of the petition for revival of the above-identified application under 37 CFR 1.137(b) (see attachment A).

The Decision indicates that Applicant did not properly provide sufficient facts to show that the delay was unavoidable.

In addition, the Decision indicated that since the Petitioner paid the Maintenance Fees within 24 months of the date of expiration of the patent, the Petitioner has an alternate remedy under the unintentional provision of 37 CFR 1.378(c) which does not require a showing of the delay in timely paying the maintenance fee in order to reinstate the patent. Furthermore, the Decision indicated that \$700.00 surcharge already submitted would be applied to the \$1,640.00 fee owned under 37 CFR 1.378 (c),

P2

US Patent No. 6,276,549

leaving a balance of \$940.00.

In view of the above, the Petitioner is submitting herewith:

- 1. A petition to accept unintentionally delayed payment of the maintenance fee in an expired patent under 37 CFR 1.378(c).
- 2. A surcharge balance of \$940.00 as indicated by the Decision;

The Petitioner respectfully indicates that the abandonment of the subject Patent was unintentional.

Finally, the Petitioner respectfully request that all correspondence regarding this Patent be mailed to:

Luis Orlando De Jesús Pittau Paraguay 3462 PPB "G" Ciudad Autónoma de Buenos Aires Argentina

Applicant hereby petitions for revival of the above-identified patent under 37 CFR §1.138(c) on the ground that the application was unintentionally abandoned by failure to pay the Second Maintenance Fee.

Respectfully submitted.

Luis Orlando De Jesus Pittau
